

## The Tagbo Lodge

Book our Kids Add-Ons!

Sure, it's lovely to travel with children! But we also know that it makes our guests extra happy if their children are positively engaged, so that the adults can sit back, relax, read a book or go for a hike!

Therefore, we offer a few Add-Ons so that your stay with your children is just perfect!

### Add-On 1 - Book Gideon as your guide

Gideon is a licenced tourguide. He joined the Jolinaiko family in 2015 and is responsible for the special touch to the look and feel of our lodges. He is our creative handyman, who always comes up with out-of-the-box ideas. And he is actively involved in our recycling projects and lodges in Liati Wote and Atsiekpoe.

Gideon loves kids, always finds a playful connection with the village youth and is currently studying to become a teacher. He is a genuinely happy and energetic guy!

### What kind of activities does he offer?

There is no reason to get bored because there is always something new to experience in nature. Also, the activities largely depend on the number, ages and interests of the children.

The following experiences could be offered, and are fun for kids from 4 till 15 years.

- ✓ A **speedcourse in vegetable gardening** including planting your own seeds or seedlings in a 'take-home garden basket'.
- ✓ An exploration of the nearby **cacao plantation** where you learn about the different stages of cacao, and where you taste the sweetness of the cacao fruit.
- ✓ What about **creating your own float or boat from bamboo** and natural items, and sailing it on the Tagbo Falls stream next to the lodge?

- ✓ Furthermore, a **bike ride**, a longer family **farm hike**, **ball games**, board games, **obstacles courses** and **scavenger hikes**.
